The Longest Day @ M.A. Lightman Bridge Club

Friday, June 21, 2013

An all-inclusive marathon of bridge to benefit The Alzheimer's Association

This event cannot be a success without the full participation of all players of all levels. The schedule was created with the aim of providing all players with opportunities to compete and learn in a fun filled atmosphere.

Our players with MANY master points and our players with FEW master points are asked to move out of their comfort zones to make the day an adventure for all.

The 8-9:30 a.m. Continuous Bridge play will be a social time before Jack's 10 a.m. game. Our pros are requested to not play as partners but take a table as North. It will be shuffle, deal and play, Chicago-style. (play four hands and move to another table). Players can enjoy and learn from table discussion after each hand. Those players not wishing to cut-in at these table, should start their own games at other tables. Play will start at 8 a.m. Come any time you wish. Participants will enjoy a light continental breakfast.

Jack's 10 a.m. Game with an A/X section.

Donna T. & Co. is serving a delicious lunch. Enough said!!

The 2:00-5-45 p.m. "Let's Change Partners" Open Individual is another opportunity to move out of our comfort zones. The Individual game is just that, "an individual." Each round is played with a different partner. Seldom used today in highly competitive situations, it is a great social mixer. Depending on table count, this movement will provide the chance to play with all or nearly all the other players in the section. Time restraints will not allow discussion or questions during the game; however, hand records will support "happy hour" discussion and questions while the hot dogs and hamburgers grill.

6:15 p.m. Dinner is grilled hot dogs and hamburgers, Corky's potato salad, beans and slaw, all the fixings and desserts provided by Diane Ramsey, Ruth Owen and committee.

7 p.m. Open & 299ers Game

Funds/Donations are needed to defray the expense of the remainder of the food and refreshments for the day. A designated donation jar is located on the director's desk. Please consider putting your loose change in the jar each week, a dollar once a week, or a one time donation. If one prefers to donate foodstuffs or supplies instead, please check on our specific needs.
