

The M.A. Lightman Board of Directors has approved the following addition to the "Operating Rules and Procedures" of the Club:

The Club shall automatically impose an administrative suspension, which includes loss of all playing privileges at the Club, on a person who files a civil action (which may or may not result in arbitration) or submits a dispute to arbitration for damages (the "action") against the Club upon the occurrence of any of the following:

- (a) a judgment in the action which is favorable to the Club;
- (b) a dismissal of the action by the court with or without prejudice;
- (c) failure by the club member to prosecute the action for any consecutive six month period after filing of the action; or
- (d) a settlement of the action which does not specifically waive the provisions of this Paragraph.

Such suspension shall be lifted only upon the occurrence of one of the following:

- (a) payment by the Club member of costs incurred in the action by the Club, its officers, agents, representatives and insurers; or
- (b) resolution by the Club Board of Directors absolving the Club member of payment of such costs.

"Costs incurred in the action" shall mean all lawyers' fees and expenses, witness fees and expenses, court costs and other costs related to the defense of the action.
