

Bridge players Alert

We are pleased to announce that the

Midtown Memphis Bridge Club will begin live in-club games on Monday the 5th of April and Friday the 9th.

At Lindenwood Christian Church in our normal club room

We will have a strict regimen for Covid related considerations as follows:

All players must have their Covid vaccinations

The latest CDC guidelines allow us to NOT wear masks if all players are vaccinated. We will have face shields for those who want them.

Hand sanitizer will be at each table

Each player will be given a bid box for the duration of each session

Only one player at each table will handle the scoring device

Each player will have their temperature taken at the entrance

Each player will be required to sign a release for the club and the church

The games will be Mondays and Fridays until further notice.

The games will begin at 10am, they will be ACBL sanctioned open stratified and be the standard 22-28 boards depending on attendance.

Please email confirm your intent to attend to:
